

帆宣系統科技股份有限公司
Marketech International Corp.

About MIC

Marketech International Corp.(MIC) was founded in 1988 by Chairman and CEO, Ms. Margaret Kao. Since its establishment, the company has focused on the distribution of semiconductor, flat-panel display equipment and consumables, as well as providing turnkey services for factory systems.

In recent years, MIC has further expanded into the manufacturing and technological development of LED optoelectronic process equipment. The company has also ventured into industries such as solar energy, laser applications, lithium batteries, and AI healthcare, continuing to innovate and diversify its development.
