About CMF

ChiMei Foods is a Taiwanese food manufacturing company with more than 50 years of professional experience. Its products include frozen prepared foods, baked products and plant-based foods. We uphold innovation, quality and dedication, and are committed to sustainable operations, international expansion and creating a diverse and inclusive workplace environment.

➤ Build international vision and global acumen

Learn to look at problems from multiple perspectives and develop a more comprehensive thinking framework. The process of stepping out of your comfort zone will also open up different life experiences and values.

➤ Friendly workplace environment

A work environment that respects people, values diversity, promotes physical and mental health, and promotes positive communication. Respect the differences and value of every employee.

➤ Overseas job opportunities

Today set up manufacturing plants in Philippines and Poland respectively, we offer diverse overseas positions that allow you to advance professionally while experiencing life in a new country.

 **Philippines Laguna**

 **Philippines Batangas**

 **Philippines Davao**

 **Poland Łódź**

This is an opportunity to change the trajectory of your life.
